OECMS

OmniMount, an innovator of AV mounts and furniture for more than 35 years, is the choice of professional installers and the brand most recommended by TV manufacturers. The OmniMount Essentials line of AV accessories was created to make sure you have the highest quality solutions for everything from screen cleaners and furniture polish to surge protection and child safety kits. The OECMS is a flexible piece of neoprene cable management perfect for organizing and concealing computer, power and AV cables at home or the office.
